## THOUGHTS FOR THE MONTH

Well, we have reached our century, or more correctly we have reached that month we have chosen to accept as our centenary. We could have gone earlier, indeed possibly much earlier. We also know why 1922 was long held to be our centenary.

We could have gone later because the 10<sup>th</sup> anniversary was, for some unknown reason, held in 1936. However, here you can see the opening pages of the first ever bank book, held in the name of the New Age Mission (then of Love), a deposit of £3 on August 6<sup>th</sup> 1925.

At the Centenary Meeting all of this and much more will come out. I am sure you will be fascinated by our History. The interesting events and fascinating people.

In addition to the events listed here we have other things to offer. The period from September to our Christmas Close is filled with interesting events and a new open group.

The front page shows our centenary events and the price for Barry's Demonstration and the minimum \$5 donation for other events. The 50% we receive from the Demonstration will be added the donations we receive from the other Centenary events. We will then split this amount between 3 or 4 charities, we are looking at donations to; Women's Shelters, the Hutt Street Centre, Guide Dogs for the Blind (in honour of Robert Johns for his 55 years on the committee and as a Trustee).

Please be generous, the Mission has a long history of helping charities, an act of service for Spirit
