**ENHANCE YOUR MEDIUMSHIP STRENGTHEN YOUR CONNECTION TO SPIRIT & IMPROVE
YOUR PRESENTATIONSUITABLE TO INSPIRE BOTH MEDIUMS ALREADY WORKING
AND THOSE ABOUT TO START WORK**

Irene will use all of her considerable skills in a range of exercises designed to enhance
existing skills, to motivate & stimulate the spirit within, to understand entering 'the power',
to explore our ability to link and blend with the spirit extending our boundaries.
You will learn to understand how spirit work with the mind, how it is perceived & received,
how the energy changes. This will all lead to a better connection to Spirit Communicators

Irene will also focus on techniques to help you develop a professional delivery for your
mediumship in both platform sessions and private sittings The workshop includes the
opportunity to demonstrate from platform 3pm-4pm. with feedback from Irene.

ABOUT IRENE

Born in Glasgow Irene was aware of Spirit from an early age seeing some very dramatic events. Dedicating
her life to the Spirit world, she works continuously to improve her connection to Spirit. Irene has
received Diplomas' from the Spiritual National Union (SNU) in mediumship, speaking and academic study,
winning the prestigious Olive Hayward prize. Irene is Tutor for the SNU, working at the Arthur Findlay
College where she is also a course organiser. She has also qualified as a Minister of the SNU

Irene is passionate about education; the importance of every student's individual needs, encouraging the
discovery and development of their latent mediumistic abilities, building confidence and push their
boundaries. Irene believes education is the seed that eradicates fear and ignorance, exposing and
promoting the 'knowing' that life truly is eternal. That Spiritualism is not only a religion but one based on
scientific fact promoting a wonderful philosophy positively and profoundly changing people's lives.
